Agenda Item—update on hiring process for the Business Administrator

Brad reported that advertising for the Business Administrator position began in May. There were 15 to 20 applicants. Pastor Rick and Brad interviewed 8 of these applicants and agreed on 3 who were excellent candidates. References were called on these 3 applicants. Brad and Pr. Rick decided on a second interview. Prior to the second interview, two of the candidates withdrew. The remaining candidate is well qualified, including 12 years of church experience. Brad and Pr. Rick will meet with this candidate later today.
